

Modular Air-cooled Scroll Chiller D Series

Modulation

+

320V-460V

+

-15°C~48°C

STOCKED
IN AUSTRALIA &
NEW ZEALAND

- High COP.
- Modularized design with max capacity of 1280kW.
- Wider operating ambient temperature range.
- Cycle rotation to extend compressors' lifespan.
- Full protection functions and reliable operation.

Cooling Capacity: 65/80/130/160kW
